

11 9/16"

The diagram shows a rectangular plate with a chamfered top-right corner. A vertical dimension line on the left indicates a height of 11 9/16 inches. At the bottom, a horizontal dimension line indicates a width of 8 inches. A vertical dimension line on the left side of the bottom edge indicates a thickness of 15/16 inches. The bottom edge has a chamfered corner with a width of 1/4 inch on both the left and right sides. A vertical dimension line on the left side of the bottom edge indicates a distance of 2 inches from the left edge to the start of the chamfer.
