

A diagram of a rectangle divided into three horizontal sections. The top section is the smallest, the middle section is the largest, and the bottom section is the same size as the top section. A vertical double-headed arrow on the right side of the top section indicates its height is 3 2/3 inches. A horizontal double-headed arrow across the middle section indicates its width is 8 1/2 inches.

$3 \frac{2}{3}''$

$8 \frac{1}{2}''$
