

A diagram showing a 2x4 grid of rectangles. The top row consists of two rectangles. The left rectangle has a width of 4" indicated by a horizontal double-headed arrow. The right rectangle has a height of 1/2" indicated by a vertical double-headed arrow. The bottom row consists of two rectangles. The left rectangle has a width of 3/16" indicated by a horizontal double-headed arrow. The right rectangle has a height of 2" indicated by a vertical double-headed arrow. The middle column consists of two rectangles. The top one has a width of 1/8" indicated by a horizontal double-headed arrow. The bottom one has a width of 3/16" indicated by a horizontal double-headed arrow. The bottom-left rectangle has a height of 1/2" indicated by a vertical double-headed arrow.
